ACCOUNTS PAYABLE ONE-WRITE CHECK SYSTEM

Get more
out of
your time

When it comes to recordkeeping, our One-Write Systems are proven time-savers! Whether you track payments manually or by computer, we have a system that's right for you. With our Accounts Payable System payment information is automatically entered onto a register and vendor card when you write out a check. You'll have two separate journals for tracking what's owed and what's paid. If you're tracking checks on your computer, you'll appreciate our Data Input System. As you write your check, payment information is automatically captured on a preformatted register. Your data will be organized and ready for you or your accountant to enter into the computer.

C S483, Accounts Payable One-Write Check System

SERVICE LABELS SPECIALTY LABELS PRICING LABELS

What can you do with a label? You can use it to pick lint off your clothes. Or as a band-aid in a pinch. But these aren't uses we recommend. Instead, we think you should use a label to get your name out there — everywhere! Draw attention to your business and keep your number handy with a service label. Announcing a special occasion? Try an attractive anniversary label. And make sure your sale gets noticed with a pricing label. Advertise your new phone number. Display your web address. Thank customers. We have hundreds of labels for hundreds of uses — all right here!

MORE ways to make it YOUR way!

Have you ever thought about changing a label to meet your needs? Dutton Heating & Air Conditioning did! To make it stand out more on equipment, they changed the paper color to yellow. Then they changed the ink colors to match their company colors. Lastly, they added their custom logo. You can do it too! See "Labels Your Way" on pages 122-123.

ADVERTISING LABELS

There's nothing "average" about these advertising labels! Not only are they a bright and colorful way to get your name and number out to customers, but they're perfect for getting important messages noticed too. Put them everywhere your customers need to see them, and wherever you have something important to say! Of course, they're still the most popular way to advertise your business on gift boxes, envelopes, product manuals and more. Affordable too!

MORE ways to make it YOUR way!

Take it a step further! Malden Plumbing & Heating has been using "Labels Your Way" labels since they opened. Now they're ready to trade in the standard look for something a bit different... two unique shades of green and a custom designed logo. To learn more about our Logo Design Service, turn to page 143.

BUSINESS CARDS

More important than you think

Business Cards represent your business, so make sure you choose the paper they're printed on with care. **Prestige** gives you a smart, polished look in laid finish. Our 100% recycled paper, **Environment** shows your commitment to recycling. Need economical? **Atlantic Bond** is a great choice. If you want sophisticated, you want the distinctive look of our finely embossed **Classic Linen** or **Strathmore**. And, if you're looking for something simpler, our **Glossy Business Card** is just right!

Once you decide, see pg. 130 for your next steps.
